## Republican Candidate for Congress.

We are proud to say that we had the privilege of taking the Hon. Mr. Ashley H. Harrison of Steelville Mo., by the hand, a candidate for Congress on the Republican ticket on last Friday in company with Dr. Ryan of Norwood, Ex Prosecuting Atty. of Hartville, and our Circuit Judge and young Mr. Pope of Norwood all who visited us at the CRESSET OFFICE. Mr. Harrison was here in the interest of his election. A man who we have all reasons to believe from the record of his past life. A man who regardless of influence, will stand on the side of right—Show his honesty and faithfulness to the position he holds or the trust placed upon him. There can be no higher ideals, born on the minds of men. And we shall say the man who casts his vote for Hon. Mr. Harrison will never regret, and we are confident will never have any room to regret voting for him.

Readers of the CRESSET remember. That now is one of the most special times we have ever witnessed to vote for pure minded men.

## German U- Boat in Man-of-War Togs A Visitor in U. S. Harbor

U. 53, SEVENTEEN DAYS FROM WILHELMSHAVEN. STOPS AT NEWPORT, READY FOR A FIGHT

Submarine Carried Gun On Forward Deck; Eight Torpedoes in Sight.

NOSED THROUGH U. S. FLEET.

Undersea Fighter Delivers Message For Von Bernstorff, Weighs Anchor, Away in 3 Hours.

NEWPORT, R. I., Oct. 7.—Seventeen days from Wilhelmshaven, the Imperial German submarine U 53, dropped anchor in Newport harbor today.

Almost before the officers of the American fleet of warships, through which the stranger had nosed her way, had recovered from their astonishment the undersea fighter had delivered a message for the German ambassador and, weighing anchor, turned Brenton's reef lightship and disappeared beneath the waves just inside the three mile limit.

As she came and went she flew the black and white colors of the German navy, a gun was mounted on the forward deck and another aft, while eight torpedoes, plainly visible under the forward deck, gave mute assurance that the warship was ready for a fight at drop of the hat.

## A NEW WORLD'S RECORD.

Lieutenant Captain Hans Rose who hung up a new world's record in bringing an armed submarine in battle array across the Atlantic, said that he had called at Newport simply to mail a letter to Count Von Bernstorff. He required neither provisions nor fuel and would be on his way he said long before the twenty-four hours, during which a belligerent ship may remain within a neutral harbor had expired.

The submarine was in American waters a little more than three hours assuming that she continued to sea after submerging. Within that time the German commander paid official visits to Rear Admiral Austin M. Knight, commandant of the Second naval district, and Rear Admiral Gleaves commander of the destroyer force of the Atlantic fleet who was on board the flagship the scout cruiser Birmingham

Both American officers returned the brief call promptly.

While these formalities were being exchanged, wireless messages were carrying to the ships of the British and French patrol fleet off the coast warning that a hostile submarine had slipped through their cordon and might be expected in the open sea soon.

## Blood-Stained Pillow Is Shown Grand Jury.

PROSECUTION CONTINUES SUBMITTING EVIDENCE IN MC-DANIEL CASE.

St. Joseph Mo., Oct. 7.—Mrs. J. D. Underwood, laundress for Mrs. Harriet Moss McDaniel, who was beaten to death the night of July 14 was called before the grand jury today in the investigation of her employer's murder of which the victim's husband Oscar D. McDaniel prosecuting attorney is accused.

Mrs. Underwood was found on her knees in an attitude of prayer in the basement of the McDaniel home after the funeral with a blood stained pillow which had been on Mrs. McDaniel's bed the night of the murder. She said she had been told by McDaniel to burn the pillow, but she could not bear to do it. All the other bed clothing already had been destroyed by friends of McDaniel. This pillow was exhibited to the grand jury today.

A number of witnesses were examined among them Dr. M. S. Gray who attended Mrs. McDaniel at her home and at the hospital after the attack. He testified at the coroner's inquest that he heard Mrs. McDaniel say nothing before she died.

The grand jury now is not expected to finish before Tuesday or Wednesday and interest is centering on the preliminary hearing of McDaniel which is set for Monday.

Although friends of McDaniel are expecting him to be indicted McDaniel be himself having said he probably would be indicted they contend that unless the state has some evidence that has not yet been made public a conviction cannot be obtained.

A white enameled chair from Mrs. McDaniel's bedroom which bore marks apparently made by a blood stained hand was shown the grand jury today.
